

The Chair recognizes the gentleman from Alaska (Mr. YOUNG).

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of S. 2300, the Coal Market Competition Act of 2000. Today, half of our Nation's coal supply comes from the west side of the Mississippi River, where the vast majority of that coal is mined in States with significant Federal ownership of the mineral estate, including the ownership of the coal resource.

□ 1430

The Mineral Leasing Act of 1920, as amended, governs the disposition of the right to mine such coal.

Currently, the act limits an entity to no more than a cumulative total of 100,000 acres nationally under federal coal leases, and no more than 46,080 acres in any one State. Congress has increased coal acreage limitation three times since the passage of the original act, most recently in 1976. But the Statewide limitation has not been changed in 36 years, despite significant changes in the coal mining industry. S. 2300 would increase the acreage limit to 75,000 acres per State and 150,000 acres nationwide.

These changes are necessary if our coal industry is going to remain competitive in the production of energy resource which is so important to domestic energy needs. The Coal Market Competition Act of 2000 will better serve America's energy needs by helping our coal industry plan for the future.

Thus I ask my colleagues to support this legislation.

Mr. Speaker, I reserve the balance of my time.

Mr. GEORGE MILLER of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 2300 would amend the Mineral Leasing Act to increase the maximum acreage of Federal leases for coal that may be held by an entity in any one State.

The administration supports this legislation. CBO estimates, however, that enacting this legislation will not have any significant impact on Federal receipts from coal leaseholders or subsequent payments to the States for their share of those receipts.

Mr. Speaker, I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. STEARNS). The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend the rules and pass the Senate bill, S. 2300.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

ARIZONA NATIONAL FOREST IMPROVEMENT ACT OF 1999

The Clerk read as follows:

(c) CONSIDERATION.—

(1) FAIR MARKET VALUE.—As consideration for the conveyance of land under subsection (a), the City shall pay to the Secretary an amount equal to the fair market value of the land as determined by an appraisal acceptable to the Secretary and prepared in accordance with the Uniform Appraisal Standards for Federal Land Acquisitions, reduced by the total amount of special use permit fees for wastewater treatment facilities paid by the City to the Forest Service during the period beginning on January 1, 1999, and ending on the earlier of—

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Alaska (Mr. YOUNG) and the gentleman from California (Mr. GEORGE MILLER) each will control 20 minutes.

The Chair recognizes the gentleman from Alaska (Mr. YOUNG).

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 1088 was introduced by Senator JON KYL. It would allow the Forest Service to consolidate and relocate the administrative facilities in the State of Arizona. It would also allow the Forest Service to convey land at fair market value to the City of Sedona for a much-needed wastewater treatment plant.

Back in May of 1999, the gentleman from Arizona (Mr. STUMP), our esteemed colleague, introduced H.R. 1969 which is the House companion to S. 1088. He worked diligently to see his legislation favorably passed through the subcommittee. However, because we have so few legislative days remaining and the Senate version is ready, in the interest of time, we are here today to consider S. 1088.

Let me close by saying, although this was a House bill originally, I support S. 1088.

Mr. Speaker, I yield back the balance of my time.

Mr. GEORGE MILLER of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, the gentleman from Alaska (Mr. YOUNG) properly explained the legislation, S. 1088; and we have no objections to the bill.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend the rules and pass the Senate bill, S. 1088.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

HOOVER DAM MISCELLANEOUS SALES ACT

Mr. YOUNG of Alaska. Mr. Speaker, I move to suspend the rules and pass the

Senate bill (S. 1275) to authorize the Secretary of the Interior to produce and sell products and to sell publications relating to the Hoover Dam, and to deposit revenues generated from the sales into the Colorado River Dam fund.

The Clerk read as follows:

S. 1275

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Hoover Dam Miscellaneous Sales Act".

SEC. 2. FINDINGS.

Congress finds that—

(1) the sale and distribution of general public information about the use of public land and water areas for recreation, fish, wildlife, and other purposes serve significant public benefits;

(2) publications and other materials educate the public and provide general information about Bureau of Reclamation programs and projects;

(3) in 1997, more than 1,000,000 visitors, including 300,000 from foreign countries, toured the Hoover Dam;

(4) hundreds of thousands of additional visitors stopped to view the dam;

(5) visitors often ask to purchase maps, publications, and other items to enhance their experience or serve educational purposes;

(6) in many cases the Bureau of Reclamation is the sole source of those items;

(7) the Bureau is in a unique position to fulfill public requests for those items; and

(8) as a public agency, the Bureau should be responsive to the public by having appropriate items available for sale.

SEC. 3. PURPOSES.

The purposes of this Act are—

(1) to authorize the Secretary of the Interior to offer for sale to members of the public that visit the Hoover Dam Visitor Center educational materials and memorabilia; and

(2) to use revenue from those sales to repay the costs relating to construction of the Hoover Dam Visitor Center.

SEC. 4. AUTHORITY TO CONDUCT SALES.

With respect to the Hoover Dam, the Secretary of the Interior, acting through the Commissioner of Reclamation, may—

(1) conduct sales of—

(A) materials generated by the Bureau of Reclamation such as posters, maps, brochures, photographs, and similar publications, videotapes, and computer information discs that are related to programs or projects of the Bureau; and

(B) memorabilia and other commemorative items that depict programs or projects of the Bureau;

(2) convert unneeded property or scrap material into Bureau memorabilia for sale purposes; and

(3) enter into agreements with nonprofit organizations, other Federal agencies, State and local governments, and commercial entities for—

(A) the production or sale of items described in paragraphs (1) and (2); and

(B) the sale of publications described in paragraph (1).

SEC. 5. COSTS AND REVENUES.

(a) COSTS.—All costs incurred by the Bureau of Reclamation under this Act shall be paid from the Colorado River Dam fund established by section 2 of the Act of December 21, 1928 (43 U.S.C. 617a).

(b) REVENUES.—

(1) USE FOR REPAYMENT OF SALES COSTS.—All revenues collected by the Bureau of Rec-

lamation under this Act shall be credited to the Colorado River Dam fund to remain available, without further Act of appropriation, to pay costs associated with the production and sale of items in accordance with section 4.

(2) USE FOR REPAYMENT OF CONSTRUCTION COSTS.—All revenues collected by the Bureau of Reclamation under this Act that are not needed to pay costs described in paragraph (1) shall be transferred annually to the general fund of the Treasury in repayment of costs relating to construction of the Hoover Dam Visitor Center.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Alaska (Mr. YOUNG) and the gentleman from California (Mr. GEORGE MILLER) each will control 20 minutes.

The Chair recognizes the gentleman from Alaska (Mr. YOUNG).

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 1275 will enable the Bureau of Reclamation to provide visitors to Hoover Dam an opportunity to buy educational materials. It also will allow material removed from the dam during recent rehabilitation work to be used to create memorabilia, otherwise such material would become surplus and require alternate disposal. Sales authorized by this legislation are expected to generate revenues which will reduce the cost overruns incurred in constructing the visitors center.

I urge support of S. 1275.

Mr. Speaker, I yield back the balance of my time.

Mr. GEORGE MILLER of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, we have no objection to this legislation.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend the rules and pass the Senate bill, S. 1275.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

Mr. YOUNG of Alaska. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 1211) to amend the Colorado River Basin Salinity Control Act to authorize additional measures to carry out the control of salinity upstream of Imperial Dam in a cost-effective manner.

The Clerk read as follows:

S. 1211

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
